- 12 dB off-axis noise microphone rejection

Order Codes

CC-70-X4

A premium lightweight wrap around dual ear headset designed for excellent audio quality, comfort and ease of use.

Description

The CC-70 is a premium lightweight wrap around dual ear headset whose design allows it to be worn with a helmet or hat. Weighing only 2 ounces (57 grams), the CC-70 is a perfect offering for live performance workers such as stagehands, carpenters, electricians and more who are required to wear hard-hats during set up and tear down.

Versatility

The CC-70 headset can connect to the following Clear-Com products: HelixNet® Beltpacks and Main stations, FreeSpeak® II Beltpacks, FreeSpeak Edge™ Beltpacks, V-series & V-Series Iris Panels, RS-700 Beltpacks and Encore® Remote & Main stations.

Technical Specifications

Headphone
