

Affordable, Compact, Travel-Friendly

CUE-H90

Weighing only 1.34 lbs with a 90Wh capacity, the all-new **CUE-H90** is the updated successor of our popular CUE series. With an improved 80W D-Tap, the CUE-H90 is ideal for users looking for compact solutions to power equipment and additional accessories. Most importantly, the CUE-H90 remains affordable and IATA-compliant for travel on passenger carry-on flights.

Product Features

- Meets passenger aircraft carry-on regulation
- 80W D-Tap to power accessories
- 4-LED Power Indicator
- Updated slim and compact casing
- 30% smaller than outgoing CUE-D95
- Greater capacity than CUE-D75 with similar profile
